

## Overview

The all-new portable RUBY 7 HD makes reading easier. The 7" screen can display more text, and magnifies materials up to 24 times. This ultra-portable device can go anywhere with ease. Use the built-in tilt stand to read books, magazines, and mail. The unique PivotCam™ camera offers a wide range of viewing modes for spotting, reading, writing, working on hobbies, distance viewing, and even a mirror-image self-view. The RUBY 7 HD combines convenience and flexibility as the leader in the next generation of handheld video magnifiers.
