

Give back and make a difference!

Are you looking to share your time and make a difference in the lives of people with vision loss? Here are some ways we are looking for support:

Become a Camp Counselor at our Rainbow Day Camp Monday, July 19—Thursday, July 22 | 8:00 am to 5:00 pm

Enjoy some fun in the sun and make an impact in the lives of youth with vision loss. We are in need of reliable and energetic volunteers ready to assist as camp counselors and help youth by guiding them through various physical activities such as kayaking, fishing, gardening, etc. Individuals that have experience as a camp counselor or working with youth preferred.

Rehab Aide

Help provide support to staff for children receiving services in the preschool and outpatient service program. Assist with transitioning children to and from services, provide support during session, and help with set up and clean up following sessions.

Join us at the Milwaukee Milkmen Game | Sunday, August 15

We are excited to be the featured nonprofit at the Milwaukee Milkmen vs Houston Apollos Game! We are looking for volunteers to join us at the game to help sell raffle tickets, help at the concession stands, assist at the information table and more.

Small Community Groups

Gather your colleagues or classmates to complete a one-time project at Vision Forward. Some ideas include outdoor Spring cleaning, sanitizing office spaces and furniture, and so much more!

Dining in the Dark Event Support

Provide prep and day-of event support for our upcoming Dining in the Dark fundraising event to be held on Thursday, November 4! Some tasks include putting together raffle baskets and event materials prior to the event, helping with day-of set up, and more!

For questions or to sign up please contact Joanna Rivas, Volunteer and Events Coordinator, at 414-615-0161 or jrivas@vision-forward.org
