

Statutory Council on Blindness

# Make Your Plan to Vote in the November 5 Election

Tuesday, September 24, 2024

6:30 – 8:00 pm

Join us on Zoom for this interactive session

Vision loss should not be a barrier to exercising your right to vote. Wisconsin Council of the Blind & Visually Impaired, Vision Forward, Wisconsin Disability Vote Coalition, and the Statutory Council on Blindness are teaming up to make sure people with vision loss are set up to have a successful voting experience this fall. Join us for an interactive session covering information on how to vote and your voting rights. We will also address barriers voters have experienced in previous elections and your accessible voting options for the November 5 election.

Submit your voting questions before the session to [info@vision-forward.org](mailto:info@vision-forward.org) and they will be addressed on September 24. Closed captioning will be available with the Zoom session. If you have disability-related accommodation needs, contact [info@vision-forward.org](mailto:info@vision-forward.org) by September 10. If we hear from you after that date, we will do the best to be responsive but cannot guarantee that we will be able to meet your needs.
