

## Mary's Holiday Gift Guide

"I often hear how much our products make a difference when customers come back to visit. Knowing how challenging it can be to find the "perfect" gift, I put together some ideas for gift buying this holiday season." - Mary, Vision Forward Store Coordinator

### **Large Cribbage Board** \$45.00

Blind and sighted players can now enjoy cribbage on this large 22"x4.5" cribbage board! Handmade, wood-framed cribbage board with larger holes.

### **2025 Large Print Calendar** \$13.50

Bold print and large spaces to write in make this 18-month large print wall calendar an important tool in helping to stay organized and getting your year off to a great start.

### **Vision Forward Bold Pen** \$2.00

The perfect stocking stuffer! Won't bleed or smear like others. Pair with a number of other products, such as our large print calendars and notepads!

### **PENFriend3** \$164.00

Label anything in your home with your own recorded message! Use the device to play back your message from the label. Perfect for food, medicine, and more. Includes a music player and a talking book player.

### **Large Print Check Registry** \$7.50

Use this extra-large check and deposit register to maintain a record of all of your transactions. Space for eleven entries per page, 50 pages.

### **Optelec Video Magnifier with Speech** \$1,900.00

A swing-out arm captures an image, allowing the device to have a full page of text read aloud to you. If you want to read yourself, the 10" screen and HD image works brilliantly.

## Mary's Holiday Gift Guide

### **Optelec Video Magnifier** \$1,545.00

A perfect reading companion when you're on the go! It has everything you need, including a large 10" screen, easy to understand controls and two cameras—one for reading and one for writing.

### **Foldable Rechargeable LED Desk Lamp** \$14.99

With a flexible, foldable design, you can achieve different lighting angles. Easy to carry so that you can use anywhere. Great for studying, reading, or working.

### **Low Vision Cutting Board** \$18.00

Featuring contrasting black and white sides. Heavyweight and ideal for slicing and dicing light or dark colored food items.

### **Cut Resistant Safety Gloves** \$16.50

A must have in the kitchen! Made from tough stainless steel and cut-resistant nylon cord for safety, and cotton lined for comfort.

### **3-in-1 Talking Super Cube Clock** \$40.00

Fun and practical! This is a great accessory for home or office. With a press of the button, this cube announces time, date, and comes with a timer function.

### **Slate & Stylus 3x5 Index Card** \$14.00

Insert a 3"x5" index card, and the slate holds it in place while you Braille on each side without having to move or turn it over.

### **Mobility Mittens** \$38.00

Great for cold weather! These one-size-fits-most mittens have a specially-designed opening for a cane and come in a variety of patterns.

### **Talking Keychain Alarm Clock** \$12.50

Small enough to fit in your pocket or purse, the talking alarm clock is easy to set, and comes on a handy keychain. English and Spanish options. Batteries are included.
